Mrs. Rita A. Danese
92 Shand Avenue
Warwich, Rhode Island

Dear Mrs. Danese:

A clipping from a Providence paper told of your interesting "International First" and the graduation of young girls from your knitting course.

We would like to learn more about your project.

Could our representative, Al Mercurio, arrange to meet and talk with you? Could he contact you by phone to make an appointment, and if so, during what hours of the day or evening?

Sincerely yours,
