HOW TO MAKE 15 WARWICK GIRLS HAPPY

"Be it known that after many grueling hours of teaching and pitted against the best teaching in the field, Mrs. Danese has emerged victorious and is unanimously proclaimed the best teacher in the world and is presented with these gifts which thank her for her patience with the girls in knitting class. Thank you, Mrs. Danese, from the

bottom of our hearts."

This stirring tribute, written by Evelyn Berry of Pine Grove Avenue, Warwick, summed up the appreciation of about 15 girls who recently held a graduation party which climaxed many weeks of learning the finer art of knitting — thanks to helpful hints from Mrs. Rita A. Danese of 92 Shand Avenue. Mrs. Danese donated her

time. The only satisfaction she got came from the look on the faces of her "girls" when they completed various items. It's nice to know that somebody cares about Warwick's young folks.

How does that line go now? . . . "A person never stands so tall as when he stoops to help a child . . ."

Take a bow, Mrs. Danese!

SHOWN STANDING IN FRONT of some of the items they knitted are, front row from left, Suzanne Forand, Linda Johnson, Lee Perrone, Susan Johnson, Donna Kelley, Donna Pigeon, Deborah Fanning, Linda LaPrade, Evelyn Berry, Kathy Johnson, and Susan Webb.
